OBJECTIVE

I'm a recent college graduate currently pursuing a career in construction management. Seeking a position to leverage my skills and continue growing in these areas with a reputable construction firm to achieve a development opportunity in the future.

EDUCATION

Bachelor of Arts in Architectural Studies / Construction Management **Aug 2020 - May 2025**

Kent State University

- Relevant coursework: Construction Estimating, Scheduling, Project Delivery Methods, Construction Documents, Structural Systems, Building Materials, Systems

Highschool Diploma **Aug 2016 - May 2020**

St. Francis DeSales Highschool

- Participated in Varsity Bowling, Varsity Tennis, JV Soccer, and Math Club

WORK EXPERIENCE

Development Intern, Bedrock Detroit **May 2025 - Aug 2025**

- Collaborated with multiple teams (Construction Estimating, Development, Architecture, and more).
- Worked on multiple projects that involved collaboration with various teams and interns.
- Participated in multiple networking events for emerging professionals.

Customer Service Team Member / Cart Attendant, Meijer **Oct 2024 - Apr 2025**

- Provided information to customers to help their shopping experience.
- Efficiently managed carts during peak hours so that all customers could have the cart of their choice when wanted/needed while also keeping the cart area organized and cleaned.
- Collaborated with team members and supervisors to help maintain an efficient and smooth environment in the store.

Customer Service Team Member, Modwash **Jan 2024 - July 2024**

- Memorized and learned skills to sell products and services.
- Built and maintained relationships with customers by addressing their concerns professionally, understood any needs and followed up to ensure their satisfaction.
